ACADEMIC FUN & FITNESS CAMP FINANCIAL AID APPLICATION

Financial Aid

To receive financial aid, the following steps are required:

- Apply and be accepted to camp.
- Apply to the appropriate funding sources in the packet (*Funding sources require a letter of acceptance to apply for funding. And, they have deadlines, some in early spring, so don't delay in applying for financial aid.*)
- Request Extended School Year Services from your child's school. Explain that you cannot wait until the May IEP meeting for this discussion because the camp may be full.
- Submit the Creative Education Institute (CEI) Scholarship application at the same time you are applying to other resources. The date which your application is received is considered in awarding scholarships.
- Once you have done all of the above and the other funding sources are secured we will be able to determine your scholarship award from our available scholarship dollars.
- With today's economy, dollars are limited by all sources, so don't wait to complete the above steps.
